

VET Mobility Safeguarding Quality Charter for Europe

VET SQUARED
VOCATIONAL EDUCATION AND TRAINING

MEET THE VET Squared PROJECT

The Aim:

The ultimate goal of VET² project is to maintain safe and secure mobility programmes for young students travelling abroad to undertake a period of study or vocational work placement.

What we achieved:

[O1 - VET Mobility Safeguarding Quality Charter](#)

This output has developed a Safeguarding Charter and a [Safeguarding Best Practices e-Book](#) which sets out the minimum requirements that VET institutions need to meet in order to consider themselves safeguarding focused. It includes provisions in HR policy and staff training, course design, facilities offered, and student support services.

Transnational Project Meeting

VET Mobility Safeguarding Quality Charter for Europe

Coming in 2022:

[IO2 - VET Mobility Safeguarding Benchmarking Tool](#)

This output will create an interactive benchmarking tool for use by VET professionals seeking to understand to what extent their organisation is achieving safeguarding standards.

[IO3 - VET Mobility Safeguarding in European VET Mobility e-Learning Platform](#)

This interactive platform will involve a number of innovative parts, aimed at supporting the implementation of the safeguarding charter and educating the direct target group.

[IO4 - VET Mobility Safeguarding Policy Report](#)

This output will provide a scientific and technical evaluation of the piloting phases throughout the project and an impact assessment report, aimed at providing policy recommendations.
